The Hong Kong Award for Young People is deeply saddened to learn that the SOA former representative, Mr. John So passed away on 9 May 2018 due to illness at the age of 71.

Mr. So had been serving AYP for more than 30 years. He had great contribution towards AYP development. Particularly in the 80s, Mr. So went to different secondary schools to promote the Award Scheme to students, teachers as well as the principals. It helped to give the opportunities to many young people to face the challenge of AYP.

The passing of Mr. So is surely a great loss to us and we will dearly miss him and would like to extend our deepest condolences to his family.
