

金章的我 Be Gold Award Holders

We may all be insignificant and with limited resources, but our wish is to live our lives with colors.
你我發覺極渺小，呼吸空間也狹小，願望是活出分秒。

Youth world is of laughter and energy but not fussing about success or failure, we must set our targets.

成敗太過計較怎會逍遙，青春應歡欣帶跳，一生須找到目標。

Striving for dreams with perseverance will polish our sturdiness and get us fly up high.

天天追心裡夢想，奮鬥過更加堅強，我會翱翔。

We may get hurt, but we will get stronger with courage. Pain will never stop us and we will transform with confidence.

風中高飛會受傷，勇氣卻變得堅強，痛過仍願上，憑自信磨練成長！

Plenty opportunities are out there for young people. We will gain appreciation if we cherish the opportunities with diligence and serve with sincerity.

年少無限機會能愛惜，勤奮誠實正直，服務熱切真誠，誰也賞識。

Plenty hopes are out there for young people, success is all from endeavour.

We will always challenge ourselves, exceed the old me and be Gold Award Holders.

年少無限希望能愛惜，成功全賴努力，一生挑戰舊我，嘗試超過，迎接金章的我。

We like adventures and voice out our excitement deep down which is the portraiture of youth's vigor.

你我愛發現探險，將心中興奮發表，活力是年青寫照。

Facing hardship with perseverance and smile, always have faith in our target.

遇到挫折困惱心中逍遙，艱苦中堅忍帶笑，一生只相信目標。

Striving for dreams with perseverance will polish our sturdiness and get us fly up high. 天天追心裡夢想，奮鬥過更加堅強，我會翱翔。
