

CRS Self-enhancement Course – Tactic of Navigation

CRS Self-enhancement course on ‘Tactic of Navigation’ organized by the Central Registration Unit was successfully held on 20th and 27th November 2020 (Friday) at AYP Headquarters. It was our great pleasure to invite Mr. NG Kam Fu, panel member of Expeditions Section, Mr. POON Ka Hang and Mr. YU Sai Hong, Gold Level instructors of Expeditions Section, to be the guest speakers. The course attracted 60 Instructors from different Operating Authorities.

Mr. NG introduced how to apply concept of orienteering into the teaching of navigation skills. Three speakers also prepared three activities for instructors to experience learning navigation skills via orienteering. All participants showed great interest in the course and shared their ideas actively.
