

## PR Section Annual Seminar 2019 –“Know more about AED”

Seminar on “Know more about AED” organized by the Physical Recreation Section Panel has been successfully held on 5th November 2019, Tuesday at The Hong Kong Girl Guides Association. It was our pleasure to have representatives from Auxiliary Medical Service, Dr. LEUNG Wing-hang, JP, Dep. Commissioner, CC and Dr. Choi Yim Ping, BC C-A&HB as guest speakers. The seminar attracted more than 50 Instructors and Assessors from different Operating Authorities.

The activity began with Dr. Choi Yim Ping, BC C-A&HB, discussing the popularity of AED machines in Hong Kong. She also introduced how to use AED correctly, which enhanced the participants’ knowledge of first aid.

Afterward, Dr. LEUNG Wing-hang, JP, Dep. Commissioner, provided legal advice related to first aid, discussing whether the first aider needs to bear legal responsibility and the possibility of enacting Good Samaritan law in Hong Kong.

Participants showed a high interest in the Q&A session and enjoyed a fruitful evening.

PR Panel Convener Ms. Yung May Sin presented souvenirs to the speakers.
