

5 Section Panels Gathering 2018

The 5-Section Panels Gathering organized by Award Programmes and Assessment Sub-Committee (APA) was held on 13th October 2018 at Café Bar on 8. The Award would like to take this gathering to appreciate all our volunteers' great support over the past years. More than 50 volunteers joined the lunch gathering.

Each panel had prepared games and sharing sessions. Everyone actively participated in every session. It was an enjoyable afternoon with laughter.

The Award once again expressed our wholehearted gratitude to the volunteers. We look forward to seeing everybody in different events in the future.
