

## Visit to GFS HQ (8/9/2017)

The CRS Refreshment Training, Visit to Government Flying Service (GFS) was successfully held on 8<sup>th</sup> September 2017 (Friday) by the Expeditions Instructors Central Registration Unit. There were 24 instructors and assessors from different Operating Authority joined the training.

During the visit, the GFS aircrew introduced the mission and value of HKGFS to the participants. They also shared the daily operations and their unforgettable experience with our participants. After that, participants had the chance to visit the safety equipment and different types of aircraft.

Participants showed great interest in visiting aircraft. They grabbed every chance to ask the pilots about characteristics of different aircraft.

Aircrew first explained the daily operations of HKGFS.

Participants got to know the personal equipment and safety equipment.

Aircrew introduced the apparatus and equipment in helicopter.
