

## Canoeing Expeditions Route Exploration I – Exploration in Sai Kung

Expeditions Section Panel will organize a series of Canoeing Expeditions Route Exploration activities in the year of 2018/2019 in order to explore routes and campsites for canoeing expeditions.

The first exploration was successfully held in Sai Kung on 20<sup>th</sup> May, 2018 Sunday. Ten Expeditions Instructors canoed throughout the sea area in Sai Kung under the guidance of Mr. Lau Kwok Wah, our Senior Canoeing Expeditions Instructor. Mr. Lau introduced instructors canoeing routes in Sai Kung as well as shared his experience on leading a Canoeing Expeditions activity in Sai Kung. Instructors also explored different camping places for Canoeing Expeditions. That information would be shared in the Expeditions Annual Seminar next year.

Ten participants were ready to start the exploration in Sai Kung.
