

Expeditions Annual Seminar – Cycling Expeditions Development

Expeditions Annual Seminar for Cycling Expeditions Development organized by Expeditions Section Panel was successfully held on 18th May 2017 Thursday at The Hong Kong Girl Guides Association Headquarters. It was our honour to invite Mr. Chan Chung Yu, Senior Cycling Expeditions Instructor, to be our guest speaker to share his experience on organizing a Cycling Expeditions course. The talk attracted more than 60 Instructors, Assessors and Award Leaders from different Operating Authorities.

Mr. Chan first introduced the development of Cycling Expeditions and its guidelines, as well as suggested cycling route for the Expeditions journeys. Then, working group members and potential cycling instructors of Expeditions Cycling Instructor Course were invited to share their experience on organizing a Cycling Expeditions course and the difficulties they had faced during the course. They also showed and introduced the equipment for Cycling Expeditions.

Participants were enthusiastically involved in the Q&A session. They showed high interest in the equipment for Cycling Expeditions and grabbed the golden chance to ask questions. Expeditions Section Panel thanked everyone for the active participation.
