- (2) Recognised AYP groups undertaking/promoting Award activities.

Deadline for submitting applications for each round of assessment will be the 15th of May and November of each year. (Sponsoring OAs may set an earlier deadline for administrative work)
- (2) Application forms are obtainable from the Award Office, THE HONG KONG AWARD FOR YOUNG PEOPLE, Nos. 301-309, 3/F., Lai Kwai House, Lai Kok Estate, Cheung Sha Wan, Kowloon. It can also be downloaded from AYP website (www.ayp.org.hk).
- (3) Assessment period will usually take about two months. After decision for granting funds have been completed, applicants will be informed of the results in writing.
- (4) For applications that do not meet with the above-mentioned application deadline, special considerations can be arranged as long as funding is available. Such applications must be submitted to the Award Office two months before the programme commence.

Selection Procedures

- (1) Applications will be considered by the Operations Committee.
- (2) Applicants may be required to attend an interview arranged by the Operations Committee.

Selection Criteria

- (1) Applicant's/Applicant group's background and financial need.
- (2) Nature of the activity
 - whether there is a sound planning behind the activity;
 - necessity for financial assistance;
 - possibility of obtaining financial assistance from other sources
- (3) Ability to contribute to the Scheme upon completion of the activity.
- (4) Due consideration will be given to activities which help to promote the Scheme's image

both locally and elsewhere.

- (5) Preference will be given to pioneering activities with innovative ideas.
- (6) Due consideration will be given to applications which will benefit the most number of applicants at the least cost, or to activities benefiting the AYP programme as a whole.
- (7) Special consideration will be granted for applications with special merits.
- (8) Under normal circumstances, purchase of equipment will not be supported.

Financial and Operational Regulations

- (1) The grant may not cover the full expenses of the activity. Unless otherwise advised by the Operations Committee, the maximum fund grant for each participant (including candidates, assessors, instructors and award leaders) in the same activity is HK\$3,000 and the maximum grant is HK\$50,000.
- (2) A detailed budget including a statement of estimated income from all sources and expenses to be incurred for the proposed activity should be given in the application form.
- (3) Payment will normally be made in the form of reimbursement. An evaluation report, together with a statement of Income & Expenditure, certified vouchers and copies of candidates' record book (the first page of record book and the completed page of the respective Section) should be submitted via Operating Authorities to the Award Office within three months upon the completion of the project. The Operations Committee will keep track of the record for those applicants which failed to provide record book copies of candidates. The record will be taken into consideration for future applications.
- (4) After approval has been granted from Operations Committee, payment in advance of not more than 50% of the approved amount, may be entertained under special circumstances and upon special request unless otherwise advised by the Operations Committee. Such request will be referred to the Chairman of the Operations Committee for final decision. An interim financial report may be required if the Operations Committee deems it necessary.
- (5) In the event of procrastinating the date of proposed activity, applicant should make a request in writing to Operations Committee for approval. The Operations Committee will consider each request individually and will grant a maximum of 6 months (from the original proposed date of activity). In the event of changes during the progress of the activity, alternations should be reported to the Operations Committee for approval.
- (6) The Operations Committee reserves the right not to disburse the full awarded amount if the activity is found to be progressing unsatisfactorily.

Important Note

The Operations Committee reserves the right to alter the application criteria and regulations as and when necessary.

The programme fund should be used to subsidize, in majority, candidates to complete the three Awards and less in ratio for other participants.

Additional Guidelines for applying AYP Programme Fund

- 1. Funds will preferably be directed to candidates in fulfilling the requirements of the 3 Awards.
- 2. Fund will be allocated in such a way that it will benefit as many applicant groups/participants as possible.
- 3. The applicant groups/participants should bear a reasonable portion of the programme expenses.
- 4. The items funded should be basic and essential to the programme. Any expenses beyond the very basic will not be provided.
- 5. The amount of funding allocated to the applicant groups/participants will be based on the lowest possible cost in helping the participants to fulfil the requirements of the respective Section, e.g. expedition projects will be limited to 4-day-3-night and residential project activities to 5-day-4-night.
- 6. Preference will be given to programmes designed to help participants fulfill the requirements of the relevant Section in whole rather than in part.
- 7. Service projects that benefit the Award Scheme partly or wholly will be given preferential consideration. e.g. services offer to the Training Camp, Water Sports Centre, Award Centres and the like.
- 8. Preference will be given to Exploration projects.
- 9. In consideration of the cost-effectiveness of the Award programme, applicant groups are advised not to spend substantial funding on hiring instructors and the fact that the programme is not for elite training. They should also follow closely the guideline, if any, on the ratio between instructor and candidates as proposed by the respective Section Panel. Fund will not be granted to cover the portion of instructor fee considered to be excessive.
- 10. If other funding support is sought and granted, the applicant group should spend all such fund first. Programme fund when granted will be reduced by the same amount to cover the expenses not financed by other funds.
- 11. The Award title and/or logo should appear before the name of the applicant groups in those publications, banners, backdrops and press releases for the programme to be organized.
- 12. Under normal circumstances, personal insurance will not be supported in the funding grant.
- 13. Participants of programmes supported by AYP Programme Fund are NOT eligible to apply for SmarTone AYP International Exchange Programme Fund, except those who are in need of financial assistance (for example, recipients of Comprehensive Social Security Assistance (CSSA)).
